Executive Director
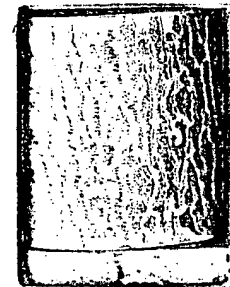

NOTE FOR: D/OCR

      After rethinking your comments at the first
Information Systems Board meeting regarding the
monitors of the Information Services Planning
Working Group, I have concluded that your point
is valid. Since that working group is to be con-
cerned with <u>all</u> information services--not just
automated ones--D/ODP and D/OC should not be the
only monitors. If you don't object, I would like
to have you serve as a third monitor of that group,
in addition to your monitoring the Workstation
Environment Working Group. You shouldn't be so
persuasive--it only gets you in trouble.

      [   ] tells me that the first meeting of
the Planning working group is set for Friday,
15 July at 1000, 7D67 Hqs. and the Workstation
group will meet the same day at 1400, 3C28 Hqs.
